Subject: Notice of Public Solicitation of Water Quality Data and Information for 2020 California Integrated Report - Clean Water Act Section 305(b) Surface Water Quality Assessment and 303(d) List of Impaired Waters
Attachments: 2020_solicitation_notice_listserv.pdf

This is a message from the California Regional Water Quality Control Board, San Diego Region (9).

To Interested Parties:

The attached notice commences the solicitation period for the **2020 California Integrated Report**. Data and information received will be used to assess overall surface water quality conditions including identifying impaired waters (i.e., waters not meeting water quality standards).

The 2020 California Integrated Report listing cycle will include the Central Coast, Central Valley, and San Diego Regional Water Quality Control Boards. The other six Regional Water Boards may also assess data at their discretion.

To be considered for the 2020 California Integrated Report:

- Data and information must be successfully submitted to the State Water Resources Control Board via the California Environmental Data Exchange Network (CEDEN), except as otherwise noted.
- Data submissions must be accompanied by a Quality Assurance Project Plan (QAPP) submitted via the Integrated Report Upload Portal.

The notice contains instructions to follow when submitting data and information to the State Water Board. The data submission process could take several weeks. Data submittals should be done as soon as possible to ensure that the Regional Data Centers are able to review and input them into CEDEN by the deadline.

All submittals must be received by the State Water Resources Control Board no later than 5:00 p.m., June 14, 2019.

Questions regarding data or information submittals, or about other information included in the notice, should be directed to:

Carey Nagoda at (619) 521-3003 or carey.nagoda@waterboards.ca.gov
Lori Webber at (916) 341-5736 or lori.webber@waterboards.ca.gov

The notice, including enclosures, and additional information about the Integrated Report are available on the [Surface Water Quality Assessment webpage](#).

Please forward this email to anyone who may be interested in this matter.

Sincerely,
Carey Nagoda
